**CATFIGHTS ON AMATEUR VIDEO:- SPECIAL EDITION #1
(LONG FIGHTS)**

We've had many requests to show longer Catfights on Amateur Video. Most spontaneous catfights abruptly start and finish quickly. We were lucky enough to obtain some catfights that are significantly longer than most. In fact, the 15 catfights on this very special 1 hour video average 4 minutes each. And in catfight terms, 4 minutes is a VERY long time. Many of these fights also include the buildup and aftermath. So you get to see what caused the fight and what happened afterwards. These fights take place in the streets and alleys, in a backyard, and in nightclubs. Most of the fighting females on this video are very pretty, too. 15 scenes. 1 hour long.
