**REAL STREET CATFIGHTS #19 (TOPLESS BRUTAL FISTFIGHTING)**  
 Commissioned originally by Crystal Films, we were able to buy this unreleased master tape as it may have been too violent for even them to release. Sexy Krista and Yulia begin this intense video by stripping off all their clothes except their bikini bottoms. Then they swing wildly at each other and all you can hear is flesh smacking against flesh. Krista's long, red hair flies around the room as they violently pull hair out by the roots.

In the other violent catfight, Darra is a ball of energy as she throws her body into Yulia without regard to injury. They absolutely tear into each other and throw each other around the room with a violent, shocking ending. Finally, a bonus 2 on 1 catfight in dresses in an apartment lobby ends this action packed video.

**GIRL NEXT DOOR #4: PUDDING WRESTLING**  
 One of our most popular series continues with pudding wrestling. Filmed at an outdoor event before a lively crowd of spectators, these sexy girls plucked out of the audience slop about in chocolate pudding, grabbing anything they can get their claws on. There are numerous amateur wrestling matches in this wild, uninhibited video. These girls may not know what they are doing but they do it with incredible intensity and a desire to dominate the other girl. This is girl-next-door amateur wrestling at its best.
