REAL STREET CATFIGHTS #13: TOPLESS EXTREME

All topless extreme, real fighting with pretty girls throughout. In the first match, dark-haired Nora tangles with blond Peta. Their punches land everywhere from the waist up. They get on their knees and hold on with one arm and flail away with the other. They fight until their last breath in a non-stop match.

This fight is one of the best we have ever taped. Nora and stunning Ola had a mutual boyfriend and hate each other. This is the fight they wanted. No holds barred and a fight to the finish. The expressions on their faces say it all. They want to kill each other and nothing will stop them. Each does everything in their power to beat the other girl up and you just have to see this one to believe it.
