**CATFIGHTS ON AMATEUR VIDEO SPECIAL EDITION #1 - CLASSIC**

1ST RE-RELEASE IN OVER 6 YEARS

We've had many requests to show longer Catfights on Amateur Video. Most spontaneous catfights abruptly start and finish quickly. We were lucky enough to obtain some catfights that are significantly longer than most. In fact, the 15 catfights on this very special 1 hour video average 4 minutes each. And in catfight terms, 4 minutes is a VERY long time. Many of these fights also include the buildup and aftermath. So you get to see what caused the fight and what happened afterwards. These fights take place in the streets and alleys, in a backyard, and in nightclubs. Most of the fighting females on this video are very pretty, too. 15 scenes. 1 hour long.

**FEMALE FIGHT CLUB - RIOT IN THE RING #3 - REAL AMATEUR FIGHTING - CLASSIC**

1ST RE-RELEASE IN OVER 7 YEARS

In this series, we went on-location to "female fight clubs," underground clubs that feature real-live female fighting, open to anyone who wants to fight. The fighting is unpredictable. In this video, for example, you will see a sneak punch from behind that hits the surprised and hurt recipient in the back of the head. And when it's all four girls in the ring, it can be wild! Sometimes one girl will quit, leaving her partner facing two opponents. Teammates may (and often do) team up against one opponent. The beatings in those cases are brutal. Here, the females lose all control and the fighting is breathtaking! 1 full action-packed hour.

**EUROPEAN CATFIGHTS #21 - AMATEUR WRESTLING - CLASSIC**

1ST RE-RELEASE IN OVER 10 YEARS

Tara and Nadia, best of friends, decide to have a wrestling match. They throw a blanket on the floor and go at it. Completely untrained they grapple and end up in some of the most unusual positions. They like to scream when they are getting hurt. As they become exhausted, a life and death struggle ensues. They go after each other a number of times, each more intense. The match ends in a spread-eagled pin. Anna and Marta are 2 centerfold type models. Anna is a clone of Anna Kornakova with the looks and the body to go with it. They bounce around on a bed mattress and roll over and over from the mattress to the hardwood floor. They and athletic, these 2 women have never wrestled before, but what they lack in experience they make up for in intensity. At one point Anna goes down hard and hurts her ankle. She continues with her ankle wrapped and she takes out her pain on Marta. A final fury brings out another injury to this sexy match.
