REAL STREET CATFIGHTS #31 - INDOOR/OUTDOOR FIGHTS - NEW!

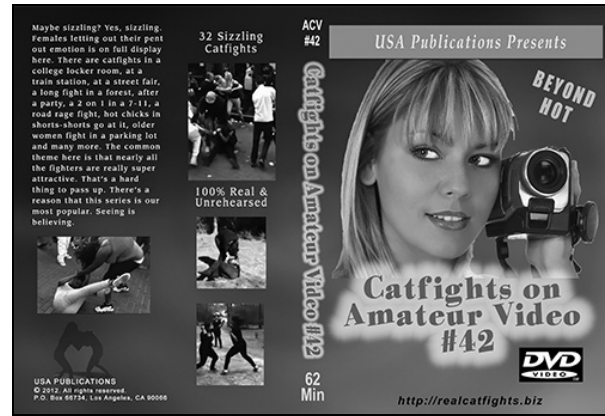

Note: The following review of this DVD is from a long time customer

The latest in a line of fight videos which we have not seen in a long time: the real fights. It is with great excitement that I received this DVD. The DVD has three separate match-ups, in several falls. One fight is indoors, the other two have an outdoor setting. Fight #1 is topless. The fight features veteran Yulia, whose husband does the camera work. Her fights are sometimes too one sided; her opponents are usually not as experienced or aggressive. In this case, she has a capable opponent in Kris, who has been in several of my favorite fights. In her fight with Yulia, there is lots of hair-pulling, and some good face-slapping and body punching action.

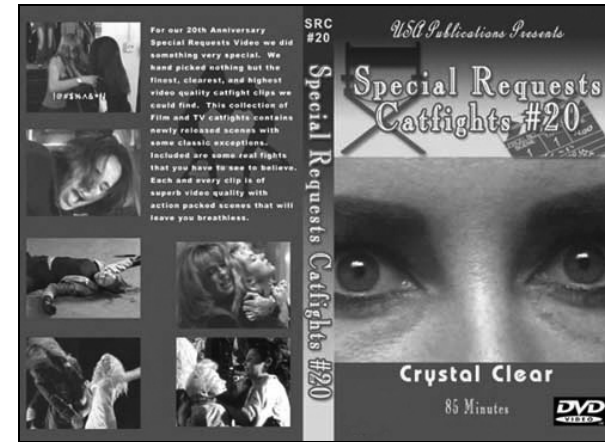

The two outdoor fights feature girls I have not seen before. They are very attractive. In the first fight they are in jeans, in the second they wear shorts. The action starts slowly, but, in both fights, builds and becomes exciting. There is a lot of body punching and maneuvering, which I like. I recommend this DVD, simply because I would like to see more of them."

RUSSIAN CATFIGHTS #4 - CLASSIC
This is the video everyone talks about. Yulia and Kara yank each other down in a punching frenzy. On the ground they hair pull, then punch and kick. Back on their feet they resort to wild punching, yelling insults and tearing into each other until a vicious kick to the breast ends it. Yulia takes on Paula and they start slugging right from the start. There's some double-fisted hair pulling while they kick each other repeatedly. Yulia wears down Kara with her punching and hair pulling and turns the fight into a one-sided beating. Natasha and Yulia are well matched girls who know how to fight. They go toe to toe swinging their fists and connecting to faces, breasts and backs. A mean, vicious brawl. Georgia and Yulia wear the same dress so they have to fight. The dresses get ripped at between the punches and hair pulling. Yulia gets on top and pounds Georgia into submission.

This last fight, 26 minutes in 3 parts, is simply the best catfight we have taped in our 15 year existence. Katrina and Mata, both stunning women dressed in mini-skirts, Katrina the brunette in the black dress and Mata the redhead in a red dress define the word 'catfight'. Punching, scratching, hair pulling, clothes ripping, screaming, and intensity off the scale. **The all time classic.**
