This is the first release of this material it is completely different from anything else we've released. REAL STREET CATFIGHTS #7 -BARE BREASTS CLASSIC
1ST RE-RELEASE IN OVER 7 YEARS

This was and is an instant classic. Our cameraman's morbid imagination was on full speed here. It starts with hair pulling sumo (make your opponent fall down using her hair as a lever), continued with breast-pulling sumo (the same but now hair is replaced with breasts), then a slapping contest with REALLY terrific slaps. And to top it off, a belly-punching contest with very powerful blows that finishes with one girl folding in two and collapsing to the floor. After these starters, the main course consists of 3 vicious fights with REAL kicking, slapping, punching, hair pulling and breast-grabbing. **This unique video is a collector's dream with great action that is seldom seen anywhere.**
